STATEMENT OF INVENTOR

I, Araf Karsh Hamid, declare that the following is true and correct:

1. I have worked at netForensics, Inc. since April 2000. At the time that the invention described and claimed in U.S. patent application Serial No. 09/640,606 was made, I held the position of Systems Consultant. I presently hold the position of Director of Research.

2. Upon my review of the specification and claims presently pending in the above-referenced patent application, it is my belief that I am an inventor of the invention claimed in the application.

3. The error in inventorship occurred due to a simple error of omission.

4. I believe that the omission of my name as an inventor in the above-referenced patent application was inadvertent and was not done with any deceptive intent.

5. I declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under §1001 of Title 18 of the United States Code, and that such willful, false statements may jeopardize the validity of the application or any patent issuing therefrom.

Executed this 14 day of July, 2004.
